

Taste Your Tears

music and lyrics by John Fohl

Intro: E_{min} D C C/B A_{min} D G C G C

G

I have not come to see your face

C A_{min} G

Fall apart, so far from grace

G

I did not come to taste your tears

E_{min} D G

As they fall across these lonely, lonely years

E_{min} D C E_{min} F[°]_{min} G

But I did not fail to see how your love is lost on me

E_{min} D C

And if I had it all to do again?

G C G C

Darlin', I would. I hope you know I would

Intro: E_{min} D C C/B A_{min} D G C G C

I only came to be your friend

Stand by your side at the day's end

But if that sunset, oh! If it makes you wanna cry

You know, I don't even need to ask you why

But I did not fail to see how your love is lost on me
And if I had it all to do again? Darlin I would Oh yes I would
And I know that you see too
how my love is lost on you
If you want it all to do again Darlin you can
How I wish you would
