It's amazing that I'm not demented

Chorus:

D
Decisions, decisions

C
I can't win for trying

G C D
My imperfect vision's got someone crying
Decisions, decisions

C
My heart's so divided
I feel so misguided

G C D
Feels like the stars have collided

Half the time, I figure that I'm doing fine
I see the light on the road to right
And my heart is in the right position
Suddenly, I find I really didn't read the signs
I couldn't see the future
Though I was lookin' in the right direction

Chorus

G Gb F F F# G x2
G G# A G C D

Once again, somebody gets the bitter end
Never wanted to hurt no one
That never was my intention
Hopefully, I'll get it right eventually
Gotta figure a way to go
And hope it's in the right direction

Chorus
